INT. RESTAURANT - DAY

3 couples and their one single friend are getting brunch. Couple 1 has a baby in a stroller. The WAITER drops off their drinks.

WAITER

And here are your drinks. let me know if you guys need anything else!

He exits.

GIRL 2

Let's raise a glass to the first couple of our group to get engaged!

Everyone cheers excitedly except for couple 3. Girl 1 is brandishing a sizable engagement ring. Her smile is bigger than her face.

GUY 2

It's about time you two! How long did you wait after the baby came?

GUY 1

Two months!

GIRL 1

I mean what else were we gonna do!

GUY 1

Hah! I'm just happy you're drinking again. She is IMPOSSIBLE when she's sober you guys!

Everyone laughs except couple 3.

SINGLE GIRL

I gotta go to the bathroom, excuse me.

She leaves.

GIRL 3

(skeptically)

So...you guys are just gonna make it work?

GIRL 1

I mean we're gonna have to! Don't worry, your time will come.

(CONTINUED)

GIRL 2  
Ahem. You guys...

She reveals she's been wearing an engagement ring this whole time.

GUY 1  
OH MY GOD!

GIRL 3  
...Really?

GIRL 1  
YOU'RE KIDDING ME!

GUY 2  
Yeah I proposed before we came in here.

GIRL 1  
Let's raise a glass!

They all cheers, freaking out. Girl 3 is kind of disgusted.

GIRL 2  
Oh honey, we don't wanna make you feel bad. Your time will come, your time will come. Right, Guy 3?

Guy 3 says nothing. Single girl comes back from the bathroom.

SINGLE GIRL  
Ahem...you guys!

She's brandishing a ring pop. Couples 1 and 2 freak out.

GIRL 3  
Oh come on! Single Girl you've never even been in a relationship!

SINGLE GIRL  
I met him on the way to the bathroom! He said, "Number 1 or number 2?" And we just...we just hit it off! It's like when you know, you know, you know?

GIRL 3  
That's a ring pop.

SINGLE GIRL  
I know! Isn't it sweet?

The waiter comes back.

WAITER  
Hey, just checking in. You guys  
good?

EVERYONE  
WE'RE FANTASTIC!

WAITER  
Great! Ahem...you guys.

He moves his notepad to reveal an engagement ring. Everyone  
freaks out.

WAITER  
The chef left it in your food! I  
was totally blindsided! He's  
remaking your food.

Everyone congratulates him at the same time. "I'm so happy  
for you." "That's such a great idea." "I'm hungry"

GIRL 3  
Why are you guys so obsessed with  
getting engaged! We don't even know  
this guy!

WAITER  
Oh honey, don't worry I'm sure your  
time will come!

GIRL 3  
Ok, Guy 3 and I have been dating  
the longest out of all of us. We're  
just not comfortable with making  
that kind of commitment. I mean,  
it's an antiquated institution that  
originated as a way of *selling*  
women in exchange for land. To be  
honest, I don't know if we'll ever  
get married.

Everyone gasps.

WAITER  
You are so fucking rude.

GUY 2

Yeah, what's your problem?

GUY 1

You guys...our baby just got engaged!

SINGLE GIRL

To Teddy?!

Everyone freaks out.

GUY 2

You guys...we just got DOUBLE engaged!!!

Everyone freaks out. There's a symphony of "You guys!" They settle. Guy 3 taps Girl 3 on the shoulder. He opens his mouth, revealing a ring on his tongue.

GIRL 3

(condescendingly)

No! Ew! Was that in your mouth the whole time?

BLACKOUT.
